

Harness the power of Raiser's Edge NXT and Financial Edge NXT with NPact Consulting.

NPact's consultants have decades of experience working within and providing services to non-profits, with expertise delivering software systems, database training, and workflow consulting.

New Database? Let's Go Live! Our team offers custom conversion, migration and implementation services for organizations looking to transition to Blackbaud's flagship products.

Migrate with Confidence.

Conversion: Extract, clean, format and convert data from Excel, Access, QuickBooks and other legacy solutions into Raiser's Edge and Financial Edge.

Migration: Elevate your organization to the cloud. Learn the benefits of the NXT application suite and utilize best practices for making a seamless and successful cloud transition.

Implementation: Set up your database and team for post-conversion success. Configure reports, dashboards, queries, lists, table entries and other key components. Arm your staff powerful tools and better data to improve efficiency and accuracy and ensure successful usage for years to come.

**Accelerate your organization's philanthropic impact.

Harness the power of Raiser's Edge NXT with NPact Consulting.

Through decades of experience working within and providing services to non-profit organizations, our team will provide you with the powerful tools and know-how to drive philanthropy in your community.

Available Services

Data Health Check:

- **Data Cleanup:** Audit the health of your organization's data, and clean up, format, link, and/or remove duplicates.
- **Data Entry or Importing.** Format and import high volumes of new data and information into your database with accuracy and speed.

Technical Support and Training (onsite or in person):

- **Process Improvement:** Let Raiser's Edge NXT do the work for you. Build custom reporting and automated workflows to speed up business processes and make your life easier.
- **Best Practice Documentation:** Onboard new employees with ease. Support them with training and documentation on daily processes for data entry, reporting, and constituent / portfolio management.

Staff Augmentation:

- **Outsourced database management:** Does your organization need a database administrator or gift processor? We can help! NPact consultants are available to fill these roles, both part-time or full-time, based on your timeline.

Accelerate your organization's philanthropic impact with one of NPact's monthly, bimonthly, annual, or event-specific consulting packages. Contact consulting@npact.com today!
